Bagless Day

In keeping with the vision and mission statement of the school, it is one of our primary objectives to ensure holistic development and learning, in a joyful environment. A heavy bag has been a debatable topic for ages. The NEP 2020 recommends that all children must experience a minimum of ten bagless days in an academic year. This unique bagless day project was adopted for the students of Classes VI to VIII in the able guidance of Principal Ma'am Mrs Poonam Gupta in Kendriya Vidyalaya AFS Naliya on 14.11.2023.

We observed the bagless day to encourage learning apart from textbooks. Near 200+ Students got an insight into the outside world and developed a sharp sense of observation.

On 14 November 2023, a series of activities was planned in accordance with the daily schedule for Classes VI to VIII.

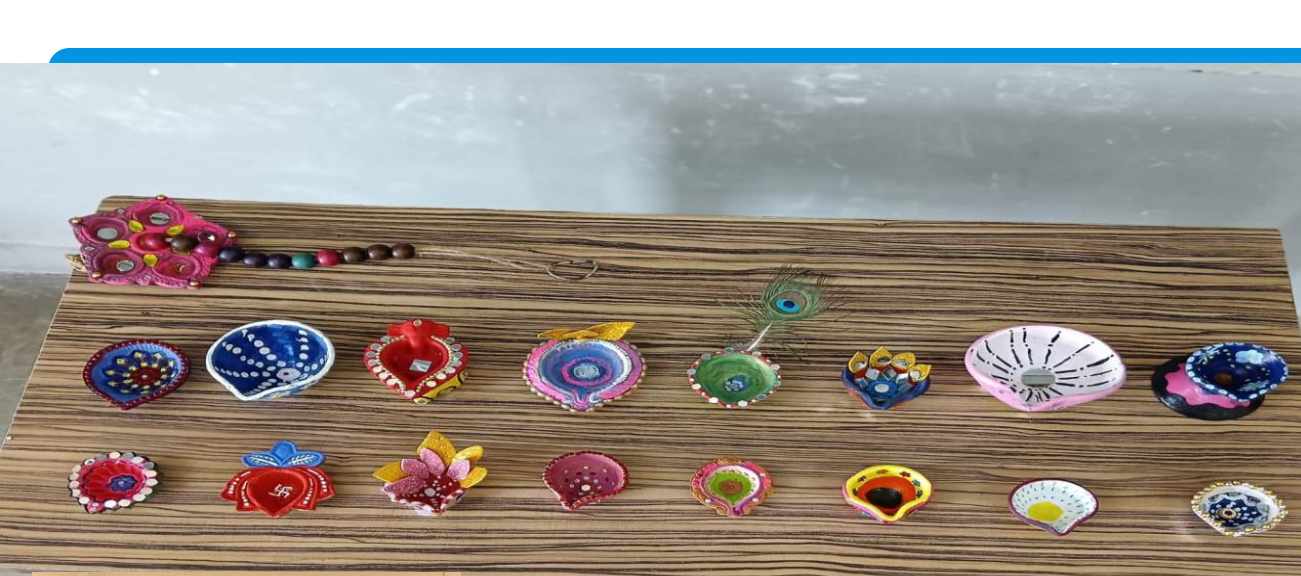

We planned 4 activities namely 1.Calligraphy Activity 2.Stitching Activity 3.Dance Activity 4.Mehandi Designs Activity
